

**Extend your Hand**

O Mighty God, Extend your Hand

So I may hold and walk by your side

O Mighty God, Give me your

Strength

So that I may complete my

Soul Plan in its fullness

O Mighty God, Share your Faith with me

So that I may believe in Myself

O Mighty God, Share your

Passion with me

So that I may step into my

Soul's Passion and Create

O Mighty God, share your

Song with me,

So that I may hear my Soul Song, once again

O Mighty God, share with me

Your Freedom

So that I May remember my Soul Freedom once again

O Mighty God, Share with me

Your Peace

So that I may remember my Soul's Peace

O Mighty God, Share with me

Your Fullness

So that I may remember my Soul's fullness

O Mighty God, Share with me

Your Evolving Truth

So that I may remember my

Soul's evolving truth

O Mighty God, Share with me

Your Infinite Wisdom

So that I may remember my Infiniteness

O Mighty God, Share with me

Your Eternal Light

So that I may step into my

Soul in its fullness and stand in the fullness of my Soul Frequency.

Glory to Mighty God

Glory to My Soul

Glory Glory Glory.
