

Glory to God, Glory to me
For We are One and have been one
And will be One
Eihēya Ashur Eihēya

I am That I Am and
I will be that I will be
I shall be that I shall be

And in this Eternality
Is the Circle of Oneness
No beginning and No Endings
Only Continuation and Expansion

For that is what God is
And that is what I Am
A being of Creation and Expansion
Where there is no time and no Limitations

Continuous Opportunities to expand further
Into the Vastness of All That Is
And in this ever-present magic
I celebrate God in Me

For I am part of the Wholeness of God
And with this knowingness
I merge fully into the Circle and becomes
The Circle and All That Is
