

Open my Heart

O Great One, Open my Heart
So that I see the Goodness in me and All,

O Great One, Open my Heart
So that I see the Greatness in me and All.

O Great One, Open my Heart, so that I see the Divinity in All.

O Great One, Open my Heart,
So that I see, all my brother and sisters as Part of Me.

O Great One, Open my Heart,
So that I see your face in All.

O Great One, Open my Heart,
So that I see you in all of Creation.

O Great One, Open my Heart,
So that I be a Joy to all who cross my Path.

O Great One, Open my Heart
So that I be a light into myself and to All.

O Great One, Open my Heart,
So that I may Love Unconditionally.

O Great One, Open my Heart

So that I may share Freely.

O Great One, Open my Heart

So that I may move through the Mist of Ignorance and walk into the bosom of my Lord God of my Being.

Holy Art Though

Holy Art I

Holy Art All
